

Adjustment Tool

We still have the adjustment tool but this has moved to the opposite side of the screen. You will now find this here.

To add your commission in pounds, add your amount and leave the % box unticked. Then click Adjust Prices.

Adjustment Value

100 ☐ %

Adjustment applies per passenger

Adjust Prices

To add a % to your commission, tick the box, then click Adjust Prices

Adjustment Value

20.00 ☒ %

Adjustment applies per passenger

Adjust Prices

This will add whatever value you chose to all fares.
