

Fare Breakdown

To see the breakdown of the fares, you click on this icon

The screenshot shows a flight booking summary for SV Economy. It includes flight details: LHR → DXB (10 h 55 m, 1 Stop JED) and DXB → LHR (18 h 45 m, 1 Stop RUH). There are icons for IT, 0, a bag, and a plane. The starting price is £ 646.82. A red icon with a grid pattern, representing the fare breakdown, is highlighted with a blue arrow pointing from the text above.

This will give you the total breakdown of your fare. The total to pay is the Net amount (without any commission included) If you are taking payment via a consortia merchant, you would need to take the full amount including commission from your client. The trust will keep hold of your commission and pay the Net amount to Faremine and the commission amount to you as per your agreement with them. Faremine do not handle your client's commission and we do not get involved with this.

The screenshot shows the 'Breakdown' modal window. It contains the following sections:
